FAMDENT Show Mumbai is one of the premier annual dental trade fairs in India, which sees the participation of leading domestic and international dental brands, showcasing clinical and lab equipment and services. The SHOW covers the entire gamut of dentistry through Scientific Sessions (Conference) by reputed national and international dental experts, Hands-On Courses, Workshops, Paper Presentations & e-Poster Competitions for Dental College Students and offers Continuing Dental Education (CDE) points to its attendees awarded by the relevant State Dental Council, thus bridging the gap between the industry and academia. Since its inception, through our constant innovation and carefully curated event experience, we have delivered value in establishing a strong growth of the Dental Industry in India.

TESTIMONIALS

FAMDENT, Mumbai (2025) was a great experience for the D Tech team - we connected with labs, dentists, and industry professionals from all over. The energy at the show was fantastic, and it was exciting to see so much interest in our 3D printing resins and Dental Materials range. Big thanks to everyone who stopped by our booth and to the FAMDENT team for putting together this event. We're looking forward to participating in 2026. Ms. Czarina Bhojwani , Co-Founder, D-Tech Limited	FAMDENT provided us with an engaging platform to launch our new Faster, Lighter, and Smarter Intraoral Scanner from FUSSEN. The product was unveiled by Dr. Monali Tamhankar along with Dr. Uday Tamhankar. The quality of visitors that FAMDENT attracts gave us wider visibility and stronger traction among orthodontists, Prosthodontists, Periodontists, Implantologists. Mr. Dipankar Chatterjee , VP Marketing, Medika Bazaar
FAMDENT Mumbai 2025 was a remarkable experience for Haitech Medical Solutions. It provided an excellent platform to connect with dental professionals nationwide and showcase our premium range, including Admetec loupes, Medesy instruments, Strauss burs, Salli Saddle stools, Almadent chairs, handpieces, and the PTX machine. The enthusiasm and engagement we received were truly inspiring, reflecting a growing interest in ergonomic and high-precision dental solutions. We sincerely thank all visitors, fellow exhibitors, and the organizers for making this event a grand success. We look forward to continuing these valuable connections and growing together in the year ahead. Mr. Anand Singh Rajput , Country Manager, Haitech Medical Solutions Private Limited	We were excited to unveil our latest dental chairs : – Deluxe Plus and Deluxe Pro – at FAMDENT Show Mumbai 2025. Designed with cutting-edge features and superior ergonomics, both models received an enthusiastic response from dental professionals. Clinicians especially appreciated the enhanced patient comfort, refined aesthetics, and thoughtful utility. These new chairs represent our commitment to innovation and quality. We thank the FAMDENT team for the opportunity to connect with the dental community and showcase our latest advancements. Mr. Jay Thakkar , Head of Business Development, Prime Dental Products Pvt. Ltd.
We sincerely thank the Famdent Mumbai team for organizing yet another well-managed event. As an exhibitor, we truly appreciated the supportive coordination, strong crowd turnout, and overall smooth experience. Having participated for several years now, Famdent continues to be a valuable platform for us, and we look forward to being part of it in the future as well. Mr. Saurabh Singh , Deputy General Manager, Dentium Marketing.	We Dengen Dental a manufacturing company made in India products. We are really thankful to the entire team of Famdent. Special thanks to Mr. Sumit Koul for their help, support and hassle free registration process. We really had a great time during FAMDENT, our exhibition went really successful, show was fruitful, crowd was great especially last day (Sunday) was fantastic... We always prefer FAMDENT over other shows in Mumbai ... Mr. Sidhanshu Suri , General Manager, Dengen Dental
FAMDENT Mumbai has been a game-changer in helping Unicorn Denmart strengthen our leadership in the dental equipment industry, especially across Maharashtra. Year after year, it gives us a platform to engage directly with dentists, showcase live demonstrations, and build lasting relationships. This year, the response was phenomenal! Dentists explored our complete range—from world-class dental chairs like Gnatus and Anthos, to imaging solutions like Genoray OPG-CBCT, and advanced digital workflows with 3Shape and Shining 3D intraoral scanners. Our fully-fledged Roland DGSHAPE CAD-CAM setup also gained strong attention. FAMDENT continues to help us position Unicorn Denmart as the first choice for dentists looking for quality, technology, and long-term support. Mr. Shammi Gumbhir , MD, Unicorn Denmart Ltd.	
Who says oral care can't be delicious? GC Dental India broke all the stereotypes with the launch of Tooth Mousse Chocolate at FAMDENT Mumbai 2025. A product powered by RECALDENT™ (CPP-ACP) and backed by science, a milk-derived bioactive product that delivers calcium and phosphate to repair and protect enamel. The tagline "Chocolate that fights tooth decay" hit home. Dentists were curious. Kids were hooked. Dental professionals and visitors were all smiles, impressed not just by its taste but by its preventive power. The response? Overwhelming. From booth traffic to clinical interest, the excitement was real. GC's booth buzzed with enthusiasm, reinforcing its role as a leader in evidence-based, minimally invasive dentistry. The product has since created ripples across practices—proving that decay prevention can actually be delicious. Dr. Anjali Ranade , Manager, Academic & Scientific Affairs – GC India Dental Pvt. Ltd	First and foremost, congratulations to the entire Messe Düsseldorf India team for hosting such a and impactful event. The seamless arrangements, footfall, and overall experience were appreciated.. Dr. Bhavin Sutaria , Sales & Marketing, Shiva Products

SCIENTIFIC CONFERENCE

The Conference was targeted towards offering Learnings & know-how of the dental procedures and other related terminologies, tricks and best practices. Experts voiced their opinion on how to deal with challenges in complex cases. Senior and experienced Dentists shared their experiences, cases, problems and challenges faced in their career and what they anticipate about the future of the industry. The Conference was attended majorly by Graduating and Post Graduate Students from Dental Colleges in India who are seeking to explore opportunities, make a career and build a future for themselves. Practicing Dentists equally participated and sought advice from the renowned experts & Speakers.

Secrets of Successful Endodontic
Practice

Presented by

HANDS-ON WORKSHOPS are practical demonstrations supported & jointly driven by top dental industry brands which supply the finest quality of the dental tools, materials and equipments for demonstration during the half & full day workshops. The purpose of the workshop is very clear – LEARNING BY DOING AND SEEING apart from theoretical knowledge. Eight captivating hands-on workshops provided attendees with practical learning opportunities on topics like Ultrasonics in Endodontics, Bioceramics & MTA in Endodontics, Rotary Endodontics, 3D Obturation and more.

PAPER PRESENTATION & E-POSTER COMPETITION

Other highlights included the massive participation from interns, undergraduate & postgraduate students as well as Dentists & Clinicians in the Paper Presentation & e-Poster Competition.

The Presentations & Posters were judged by experts based on content, relevance, presentation, time adherence and question & answer sessions. It was necessary for Participants to be registered as Delegates in order to participate in the Presentation or Competition. The Topics were Clinical as well as non-Clinical. Original & Reviewed Content was accepted. 6 Judges graded the Presentations on-site. The winners received recognition in Gold, Silver, and Bronze categories in the form of Certificates & Mementos. The participants received Participation Certificates as well.
